Potsdam, February 26, 2018

Invitation to Prof. Lihui Chen, Passport No. PE0978639

Dear Prof Chen,

I hereby cordially invite you to attend the IODP SEP Meeting at GFZ Potsdam, June 26-28, 2018, as a national representative of China. In your function I expect that your travel costs will be covered by IODP-China, your national implementation organization. The meeting itself will be free of charge. Your presence at the meeting will be crucial for the success of the evaluation process, because only by having members of all member countries and from a wide range of disciplines present at the meeting we can ensure a fair and in-depth review process. Looking forward to seeing you in Potsdam, please do not hesitate to contact me if you have any further questions.

Kind regards

Jens Kallmeyer
