**Invitation letter for participation to the 4th IGCP-649 “Diamonds and Recycled Mantle”
Field Trip in New Caledonia 7-14 July, 2018**

Dear Colleague,

On behalf of the University of New Caledonia, it is my pleasure to formally invite you to visit New Caledonia so that you can participate in geological field trip component of the 4th IGCP-649 Diamonds and Recycled Mantle Workshop commencing in Noumea on Saturday 7 July 2018 and ending in Noumea on Saturday 14 July 2018.

Field trip will be organized by School of Earth and Environmental Sciences, The University of Queensland, at Brisbane, Australia and led by Prof. Jonathan C. Aitchison and myself. Please note that this invitation does not imply a grant of any kind towards travel, accommodation or any other costs. All costs must be borne by yourself or your organisation. The University of New Caledonia is not responsible for any expenses incurred.

With the exception of citizens of European Union travelling on European passports, visitors to New Caledonia must apply for a visa to enter New Caledonia well in advance of departure and we recommend that you apply immediately.

When applying for a visa, you may be asked to provide an official letter of invitation and please use this letter for that purpose. Please note other than providing this letter, we cannot provide any assistance in support of visa applications.

If you have any question regarding the workshop and field trip, please do not hesitate to contact the event organizer in Brisbane, Australia: email: igcp649aus@absoluteevents.com.au; Phone: +61 7 3848 0089; Fax: +61 7 3112 3900.

I look forward to meeting you as a participant on field trip in New Caledonia.

Yours faithfully,

Prof. Dominique CLUZEL
