9th April, 2018

Prof. Dr. Xiumian Hu  
School of Earth Sciences and Engineering  
Nanjing University  
Xianlindadao 163  
Nanjing 210023, P.R. China

Dear Prof. Dr. Xiumian Hu,

I am pleased to invite you (and confirm your registration) to participate in the fourth Working Group on Sediment Generation (WGSG) meeting which will be held from 26<sup>th</sup> to 29<sup>th</sup> June at Trinity College Dublin, Ireland. Your abstract titled as "Precisely constraining the timing of the India-Asia continental collision by provenance change" will be scheduled as oral presentation.

The WGSG (Working Group on Sediment Generation) is an informal international assemblage of geological scientists working on topics such as sediment generation and dispersal. Based on attendances at previous meetings in Gottingen, Germany in 2014 and Leuven, Belgium in 2016 we expect about 100 participants. More details are available online at <https://www.tcd.ie/Geology/wgsg2018/>

Please note that we are unable to cover the costs of any of the fees related to your participation in the event. Costs related to travel, accommodation, transportation and conference registration will be your own responsibility.

Yours sincerely,

**Dr David Chew**

ASSOCIATE PROFESSOR,  
HEAD OF GEOLOGY
