## Invitation Letter

July 3, 2018

**Title of Congress: 45th International Association of Hydrogeologists (IAH 2018)**  
**Duration of Congress: September 9~14, 2018**  
**Venue of Congress: Daejeon Convention Center (DCC), Daejeon, Republic of Korea**

*Dear Dr. Yueqing XIE*

On behalf of the IAH 2018 Organizing Committee, we would like to extend our sincere greetings and cordially invite you for the 45th International Association of Hydrogeologists (IAH 2018), which will be held on September 9-14, 2018 in Daejeon, Republic of Korea.

The IAH 2018 Congress has been hosted by Korean National Chapter of the International Association of Hydrogeologists (IAH-KNC), Korea Institute of Geoscience and Mineral Resources (KIGAM) and Korean Society of Soil and Groundwater Environment (KoSSGE). The IAH 2018 Congress will provide various scientific programs such as Keynote Lectures and Oral Presentations. We have no doubt that the IAH 2018 Congress will provide participants from around the world with unmatched opportunities to exchange scientific ideas and experiences in hydrogeology.

There will be hundreds of groundwater scientists, engineers, academics, policy makers, and industry members to discuss new and exciting developments and important discoveries in the related field. We are sure that your participation will be a great honor to us and hope you will be able to discover the exquisite harmony of historical treasures and cutting-edge technologies during your stay in Daejeon, Republic of Korea.

If you have any questions about the IAH 2018 Congress or this invitation, please feel free to contact us.

Sincerely,

**Organizing Committee of IAH 2018**
