To Whom It May Concern,

It is my pleasure to write this letter on behalf of Dr. Youyi Ruan from School of Earth Sciences and Engineering at Nanjing University. Dr. Ruan will be visiting the Geoscience Department at Virginia Tech from July 2018 to August 2018, working with me on finite-frequency tomography.

Nanjing University will cover Dr. Ruan's full travel and living expenses in the United States, and Virginia Tech will provide office space and internet access during Dr. Ruan's visit. We look forward to a fruitful collaboration and would greatly appreciate any of your help in making this possible.

Please feel free to contact me (phone: 540-231-0673) if I can be any assistance in this matter.

Sincerely,

Ying Zhou
