Goldschmidt2023  
Lyon, France  
July 9 - 14, 2023

May 16, 2023

Dear Souvik Das,

**Official Invitation Letter Goldschmidt2023  
Lyon, France, July 9 - 14, 2023**

I am pleased to invite you to attend the Goldschmidt2023 conference being held July 9 - 14, 2023 in Lyon, France at the Lyon Congress Center. With more than 3,000 geochemists and exhibitors expected from over 50 countries, this conference is the global event for geochemistry and offers participants the opportunity to network with other geochemical students and scientists from around the world at our special events and receptions.

The hosts of the event, the European Association of Geochemistry (EAG) and the Geochemical Society (GS), represent more than 5,000 members of geochemical companies, academic institutions, geological surveys and related organisations from across the globe. We would be delighted if you joined us in Lyon this year.

Please note that the sole purpose of this letter is to assist you in obtaining a visa for entering France. Obtaining the visa is the responsibility of each individual delegate.

This letter is not and cannot be regarded as a financial commitment from the organisers of Goldschmidt2023. During your stay you cannot be engaged in any employment. You will be responsible for your own travel expenses, including airfare, ground transportation, hotel, meals and travel insurance.

We understand that you may want to explore France, participate in conference-organised workshops before or after the conference, therefore your travel to France may extend beyond or before the dates of the conference.

This is to certify that Souvik Das is invited to attend Goldschmidt2023.
