Re: Visit to HKU

Dear Professor Huiming BAO -

It is my distinct pleasure to invite you to visit me and my colleagues here at the University of Hong Kong (HKU) in a months' time. Specifically, we invite you to give a seminar at HKU and to discuss potential research collaborations with HKU colleagues in the Department of Earth Sciences from 25 September to 29 September, 2023. The specific time for the seminar is expected to be at 15:30 on 26 September, which is the usual time for our primary weekly departmental seminar.

Please reach out if you have any further questions.

Sincerely,

Alexander Webb
